

"Working with my mentor, I gained confidence and developed essential soft skills. The experience has truly been transformative, helping me prepare for entering the workforce".

Lana – GMI Graduate

Lebanese American University & Global Mentorship Initiative

As an LAU student, you can benefit from a 1-to-1 online mentorship with a volunteer mentor, to prepare you for your first professional career.

During this 12-week mentorship, you will learn to:

- Write a convincing Resume/CV and prepare for job interviews.
- Use AI to facilitate your job search and enrich your professional career.
- Create a career plan and set achievable goals.
- Establish a professional network using LinkedIn.

74%
of students
employed within
six months of
graduation

10,000+
students
mentored in over
100 countries

ELIGIBILITY

To participate, students must be:

- Affiliated with a GMI youth partner organization, university, or college.
- Proficient in either English or French.
- Access to a video capable PC with a stable internet, not just a smartphone.
- Less than three years working in a professional career environment.
- Education Status:
 - Will complete degree or certificate program within 2 years of application, or
 - Has completed a degree or certificate program and is still searching for first career job.
- At least 18 years of old at time of application.
