

Connecting Students to Careers through Mentorship

GMI's mission is to enable thousands of students to launch a successful career. GMI prepares college students by providing them with the tools and guidance needed to be successful. This is accomplished through a structured, short-term, online mentorship with a business professional.

Mentor an LAU Student

GMI empowers diverse students around the world to become tomorrow's decision-makers. We are building a more inclusive, creative, and fair world for all of us through partnerships with companies and educational institutions.

How GMI Mentors Make a Difference

GMI mentors help prepare students around the world for success in their job search by providing them with the tools and guidance needed to be successful. The GMI model helps lift communities out of poverty by providing the opportunity to work and begin a career. We need your support to help us expand the program to reach more students!
